## MISSION STATEMENT

I'm a major label recording artist/songwriter /producer with several songs that have been on the charts. When I moved to New York 10 years ago wanting to be a singer, I felt lost. I didn't know what to do or where to start. Now I'm the one who can help, and I'm here for you. Just read the testimonials at the bottom: I work 1-on-1 with a select group of artists all over the world in many ways. I use my unique network and influence to help you move forward in today's music industry. If you're a stream of recording artists or labels, I will help you realize your dreams.

Lynn knows her way around our current industry. She has carved out a unique niche at the nexus of artist development and music business consulting - but also has a proven ability to produce and write at a high level. S. Jacoby Grammy Nominated producer/songwriter. Leave your email here and I'll get back to you very soon.
