Hi!! I just moved and happen to have a huge empty lot next to me. I've been cleaning (a lot!) and attempting to fix it up, but it's starting to get costly for this college student !! :)

If anyone has ANY WOOD PALLETS Id be MORE than happy to take them Off your hands!!! (and you're near me) I have been "recycling"/building them into fences, outside furniture, and garden land plots! PLEASE LET ME KNOW!! WOOD PALLETS!!

While I'm here, I thought why not throw this welcoming suggestion out there?! if anyone is not using ANY sort of garden item (ANYTHING! Soil, plant seeds, patio things, bricks, PAINT, bird feed, cement, stones, wood, plants, trees, pots, wind chimes, ext and aka ANYTHING, It would be REALLY appreciated !!

I hope to have it set up in time for the neighbors to For the good weather! Come Check it out!!! The kids are excited for this "park". (Which is my first major garden renovation ever, just kinda happened.

But it feels good to help the community!

Thank you soooo much for your time!!
Have a good day!!!

Praying this random post can help me reach my goal!

Thanks you for your time!!
