

Singer looking for guitarist for acoustic duo (Bucks countyPhiladelphia)

Location **Pennsylvania**
<https://www.genclassifieds.com/x-317248-z>

Experienced singer/rhythm guitarist looking for lead guitarist to form acoustic duo.
Initially looking to do some covers and expand into originals.
Looking to practice at least once a week and play out as often as possible. Start out with some open mics to form a nice tight set and then book some regular shows.

Genres are a little bit of everything but primarily leaning towards the WXPN singer-songwriter sound.
If interested drop me a.
