Fabiola Augustin To whom it may concern, My name is Fabiola Augustin. I am 23 years old and will complete my BA in Secondary Education at Temple University this spring. I am friendly, well mannered, hardworking, patient, and all will maintain a positive attitude. I am good at adapting to any given working environment, and grow through new experiences. ? My area of study is in general education with a concentration in English In addition, I have a rich knowledge of childcare and education. I have the pleasure of working closely with two families over the course of 5 years . I have experience working with children ranging from newborn to school age. My various work experiences have built my confidence as a team leader and player as well as strengthened my genial skills and sensitivity to the needs of those around me. I have had the opportunity to help many people. Whether they needed my assistance to pick their child up from school or helping s with math problems, it is a very rewarding feeling to help another human being. These experiences have allowed me to learn a great deal, and I now feel more confident as a worker, and strive to reach my full potential.

In respect to my previous clients privacy I am making reference available upon request
