Sit back and relax on this fabulous deck and enjoy the wonderful Missouri River views. Whether it's use is for vacation/recreation or full time, this home offers an uniqueness like no other and offers a warm invitation to come in and sit awhile in front of the fireplace. Entertainment friendly kitchen/dining room and living combination all opening up under the vaulted ceilings and loft area. Large living room windows offer endless light through-out the day. This home offers a large master bedroom suite in the loft area with private deck, and another bedroom on the main and in the lower level with 1/2 bath adjoining. Extensive updates seen through-out with the extension of the deck, new detached garage, chain linked yard and new landscaping added which adds to the wildlife visitations. An absolute must is the handyman/workshop area in the lower level attached garage area with new swing out garage doors and the easy to clean epoxy.
