Location **Washington**  
<https://www.genclassifieds.com/x-317336-z>

Hello, My husband and I are looking to move. We have no kids but two outside med./large dogs and an inside/outside cat! We need a fenced yard tho! Can be 1-3 bedrooms, more than one bathroom would be nice but not needed I guess. Needs w/d hook ups & dishwasher. A garage would be nice too or at lease a shed for storage.

We currently live in Hoodsport and need to move closer to Tacoma, so anywhere in between would be great! Perferably Olympia area. We currently rent a two story house w/ balcony & also a deck w/ great view of Hoods canal. We love views! Its only \$725 a month, has always been month to month rent. Have lived here for over a 3 years now. Comes w/ garage, greenhouse, plus a shed & large outdoor kennel/dog runner. It's a great home and having a hard time finding something comparable.

Please e mail pic, location, & details to me and i'll get back to you if interested. MUST HAVE A COMPLETELY FENCED YARD! Willing to pay up to \$1200 for rent a month. Yes, husband makes 4 x that, so yes can afford it. Thanks for your! :)
