looking for 1 (5 USD)

Location Washington https://www.genclassifieds.com/x-317337-z

I need a place to put a 31" travel trailer with room for mini pigs

All i need is water and power. I could lease the space outright or if you have room on your property that would work too. I can pay \$300/mo and will also work on the property. Have experince with all farm animals, landscaping, permanent blackberry removal and most construction.
