Hello

I am looking to hire somebody who wants to learn from experienced business owner.

The offer is as followed, I need assistant to do busy work ( 5-10 hours a month), quite flexible in time schedule, but fast in processing jobs, in return you can learn a lot about running your own business if you have one, or if you want to learn how to. I can offer advise and be a mentor.

Email me, if this would work for you, and what are you looking for to learn. Just a little bit about your situation.
