16 Enclosed Trailer (4000. USD)

Location **Vermont**
https://www.genclassifieds.com/x-317519-z

I have a 2012 old diamond enclosed trailer. This trailer has a small V-hull design with wooden Shelves built in the front of it. Dual axle with a spare tire on rim brand new. Back door is a ramp, making it easy to load and unload equipment. Trailer brake equipped and was gently used. Side entrance door for easy access. Title in hand.

Asking $4500, but reasonable offers are.
