Location **Washington** https://www.genclassifieds.com/x-317573-z

My name is Savannah and I want to be your babysitter/nanny. I have about 5-6 years of being nanny and I love it, I love working with kids I want to become a kindergarden teacher eventually. I have experience with newborns and up to kids 13 years old. I have watched 4 kids at a time. I would need to do the babysitting or nannying at your house. I am very reliable and punctual. I am looking for part time work whatever you need just let me know. I believe outside playtime is very important along with inside playtime and I think reading is essential. I am willing to clean, I always pick up and make your house look as good or better than you left it. I check my email and texts all the time if I don't answer the phone I will call back asap.

Have a great
