Our preschool is a fully licensed preschool and childcare program for our preschoolers. We offer a unique opportunity to a fun and engaging full-immersion program that children enjoy. Our preschool program is for ages 2.5 and fully potty trained to young children up to age 10 school age care, in a very loving, stress-free and friendly environment.

Our preschool is a fully licensed preschool and childcare program for our preschoolers. We offer a unique opportunity to a fun and engaging full-immersion program that children enjoy. Our preschool program is for ages 2.5 and fully potty trained to young children up to age 10 school age care, in a very loving, stress-free and friendly environment.

Our Curriculum: Kirkland Bilingual Preschool offers the unique opportunity of fun foreign language program for children, with particular focus on preschool development, within a solid curriculum that fosters bilingualism and fluency. 2.5-6 year-old children learn and have fun with song, games, cultural

geography, multicultural storytelling and roleplaying in a dynamic and interactive way, while mastering their language skills for a lifetime of success! Our school age program serves Thoreau, Juanita, and Sandburg elementary with the same academic focus and bilingual Spanish immersion as well as quality homework help.

Our Community: All teachers, staff and students at Kirkland Bilingual Preschool welcome you to our community of families with the common goal of Spanish acquisition, and the cognitive and cultural gains associated with achieving fluency in a second language!

The Program:

Yielding the best academic results, all our classes are age appropriate with a very small teacher-student ratio (1 to 6 students and 2 teachers). We follow a flowing child centered curriculum much like private schools but with the love and affection of home.

For more information or to schedule a tour, please call and leave a message or reply via email.
