25,667 actual miles. No slide-out, but plenty of room. Clean; has seen little use. 460 Ford motor. Onboard generator, only about 100 hours on it. Lots of basement storage. This is a quality built motorhome, \$125,000 new; everything works; although the TV's need updating, or use a Direct TV dish or converter. Two single beds in back; couch folds out for another, and the dinette converts to a child's bed. I put 6 BRAND NEW 70,000 mile Michelin tires all the way around on it on Sep. 18th, 2014. Just got back from the Black Hills; everything worked great! Make offer; may consider full or partial trade. Open to offers. Contact me by text or phone at six oh five-three two one-eight seven one one. Please don't contact me thru Craigsit, because for some reason I can't respond to your.
