Ever see a female fronted Power Trio led by a female bassist who can fuel a rhythm section AND can belt out old and new school HEAVY tunes? Think Grace Slick pipes with Jack Bruce thunder (Suzi Quatro style)! Are you out there?
We're 2 boomer seasoned guitar, drums guys with families/careers who are not looking to play out every weekend but we are seeking a lady band mate that loves the heavy vintage classic and "newer" bands who actually play music - not make noise. Once we get our act down we'll let it rip in public.

Safe practice space with PA on South Coast, NO PRESSURE situation with all kinds of potential.?
