

Hutches (Columbia)

Location **South Carolina**
<https://www.genclassifieds.com/x-317628-z>

I have two duplex rabbit/small animal hutches for outdoor use in good condition. I had them stacked in a two story configuration, but can put legs on the "top" hutch if you'd like. I built/used them to house rabbits but sold all my rabbits and have no use for the hutches. They'd also work great for other small animals, chickens, quail, etc. \$75 per duplex or \$120 for both.
