

Labrador

Location **South Carolina**
<https://www.genclassifieds.com/x-317639-z>

Chocolate Lab, free to good home.

I think she is purebred, but might be mixed. She is all labrador though. About 2 1/2 years old and 87 pounds. Great and loyal dog, great with kids and other animals. Up to date on all shots and healthy. Ideally, you'll have a big fenced backyard/open fields or enjoy long walks because she is.
