8 week old female. Beautiful little black and white bully. Great personality and loves everyone. She'll come with proof of first and second puppy shots. She's an inside dog! She will be ppocket size. I have pictures of her parents as well. There is a rehoming fee of \$300 FIRM! I love my baby and don't want to let her go but we have too much going on with our lives right now. Serious inquiries only! Please do not waste my time or yours :-) please don't contact me asking questions that have already been answered. She's only going to a great home so if you could provide that please email me. Thanks so much! Hope to hear from you!
