Free Wireless Internet, Satelite TV, Pillow Top Mattress, Down Pillows...and a Jacuzzi Spa that's 100 feet behind the building makes this condo a perfect choice.

Moose Hollow is located in the township of Eden, within the Wolf Creek Master Resort. The entire area is known as the Odgen Valley. Its rural, undeveloped, uncrowded, extraordinarily beautiful, offering peace and tranquility. Recreational opportunities abound.

1/4 mi from the Moose Hollow Complex you will find a local market, gas station, convenience store, bank, recreational equipment rentals for boats, bikes, kayaks, backpacks, etc, and a few restaurants. Everything you need.

In the SPRING and SUMMER time....

You can find yourself swimming, water skiing, jet skiing and so much more at one of the near by lakes. Or take a mountain biking on some of the best trails around. You can even go on a back ride from the top of the mountain down the trail. Ski boats, water runners, and mountain bikes are all available. Take a hike up to the top of the mountain. Breakfast, lunch, and dinner is heavy. The food is delicious. Or better yet, take a mountain bike to the top and coast all the way down.

Throughout the summer months, music festivals and family re-unions abound. August brings the annual hot air balloon festival. Its great for weddings, family reunions, and makes for a wonderful family getaway...even for a weekend.
