

Looking for a room near downtown (Salt Lake City, Downtown)

Location **Utah**

I have a good job, I work full time, I'm respectful and clean, I don't get stupid drunk, and I really need a room to rent. My girl kicked me out and won't give me any of my stuff back so I'm starting out completely fresh. I work right downtown and a room downtownish would be ideal. Please let me know if you have anything! By the way I'm.
