Buying? Selling? Moving?

We specialize in efficiently removing very large amounts of unwanted items from your estate, warehouse, office, lot, or any other property you may have. We can take just about any item you may have and dispose of everything in an efficient and environmentally friendly way. We aim to donate and recycle as much as possible, diverting your usable items from our local landfills and helping our community.

Why choose Clean and Green?

Fast turn around times - We can provide a truck as long as 26 ft and a team of strong, experienced laborers with the equipment necessary to handle any job. When we say no job too big we mean it!

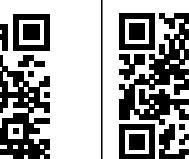

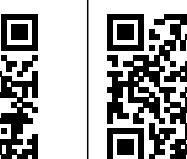

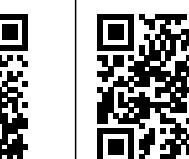

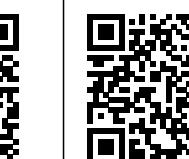

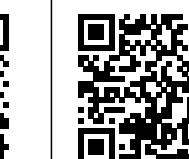

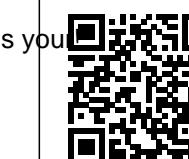

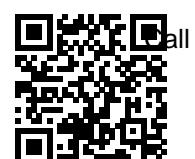

Peace of mind - We are insured in MA, CT, VT, and NH for both residential and commercial service and can remove items in excess of 800 lbs safely. Feel free to inquire about our references.

Convenience - Professional, uniformed crew will take care of everything from start to broom-swept finish! (You don't lift a finger!) We are very flexible and will always work around your schedule even if you need your clean out done after hours.

Honesty - All of our customers will be given an up front flat rate before any work is performed. You will never be over charged even if we underestimate your job!

We also buy scrap cars, trucks, and farm equipment!

Minimum of 14 cubic yards.
