Insanity Workout Set (50 USD)

Location **Tennessee** https://www.genclassifieds.com/x-317728-z

I bought this set on Craigslist for \$50. Did the first video and thought forget this. I think the person I bought it from did the same thing, as most of the discs appear to be unused. \$50, just want to get back what I spent on it. Call or text

in.
