30 year installer looking for commercial flooring work in NW Iowa, SE South Dakota, SW Minnesota. After 30 years of primarily doing residential installs, I am getting out of the residential side of installing and looking for consistent commercial work. Single father of a 17 year old, do not drink, smoke, or do drugs, have a 5th wheel I could stay in if needed. I do not work by the hour, I charge per sq ft or per sq yard. Insured for 1 million dollars, with a one time 2 million dollar claim available. I primarily install Carpet and LVT, but also install Vinyl, Cork, VCT. I am available to start after March 25th. I have no problem working Saturdays and Sundays. If interested, send me an email through CL with your contact info. Here is an ad with more info, that I have on CL Sioux City for my Flooring Installation business. My ad has pics of my recent work. I have more pics and references also - click show contact to see the full address, the link is blocking the full address - <http://siouxcity.craigslist.org/sks/>
