Location **South Dakota**
<https://www.genclassifieds.com/x-317789-z>

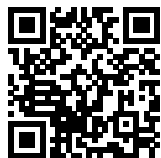

Johanneck Water Conditioning is looking for prime real-estate locations. We are interested in accessing some floor space and/or a window that we can install water vendors in. We could even set a "Kiosk" right on your property with your help! This is a great way to introduce traffic to any apartment complex, laundry mat, car wash, etc. It will bring people right to your property! We pay a flat percentage from the revenues created by the machines. We will provide equipment, install & maintain in tip-top shape! See some samples below. Contact Jay for any interest or information you may need. Thanks for looking!
