## OFFICE INCLUDES FULL TIME STAFF AT NO EXTRA COST

Would it be beneficial to your business to have six locations in the Milwaukee area rather than your current office option?

When you select an office option with Regus, whether it is a full time office option or a Virtual Office option you will expand your business presence in your local market.

Would it be beneficial to your business to offer your client base the flexibility of location for meeting space or for drop off or pick up of paperwork or packages.

Would your business benefit by having a full time office staff to represent your business Monday -- Friday, 8:30AM -- 5:00PM at no extra cost?

Call me, Sandra Stevens, at I would appreciate the opportunity to discuss how we can support your business and expand your business opportunities.
