

## Looking For a large bird like a Macaw or Cockatiel

Location **South Dakota** https://www.genclassifieds.com/x-317895-z

Looking for a larger bird like a macaw or cockatiel. Currently own 3 parakeets I have had for a while and looking for something more interactive. Willing to pay a reasonable rehoming fee, and willing to travel if it isn't outrageously far. If you have any questions feel free to contact me at the number posted. If I don't answer don't worry I will get back to you. Texting is also an option. Will also be looking for a large cage if rehoming with.
