As a Professional Musician I am well aware of the ability of music to make the party. I am available to DJ your event, and if desired add live music for that touch of class that live music always brings!

I work full time in the music business and have done thousands of shows. I make my living doing this, so you know you can depend on me to be professional in every sense of the word.

Here is the deal with "Do It Yourself" DJ Service...

I supply, set up and tear down a full sound system and do all the announcements for your event. I run the system all night long and trouble shoot any issues. I also pace the evening, having done so at hundreds of parties. I am on site the entire evening.

I use only top quality gear including Yamaha, Bose, JBL subs, Shure mics etc. (The same system I use with bands playing clubs, weddings and private parties)

Since YOU know best what music you like and YOU already have most of it on your iPod, laptop or on CD, YOU supply the iPod, laptop with iTunes and/or CDs. So you pick the songs you want from your collection, put them in a playlist and you can save a bundle. And you don't have to worry about renting a system, picking it up, setting it up, tearing it down and returning it to the place of rental.

You just have a good time! And you have the tunes that YOU really like!

Great for parties of all sorts...

Weekends (Friday-Sunday) for 4 hours of music \$350 (additional time \$60/hr)

Weekdays (Monday-Thursday) for 4 hours of music \$275 plus (additional time \$50/hr)

 <p>ask about the owner/co-owner of the music for the best of both worlds. I am \$100/hour for your service.</p> <p>A favorite package is 2 hours of world class solo guitar and 4 hours of "Do It Yourself..." for only \$550!</p> <p>Everyone has been very happy and LOVE it. THIS may be the Best Deal in Wisconsin.</p> <p>The class of Live Music, and your selected dance material, for the best of both worlds.</p> <p>"Do It Yourself DJ Service" Saves you Hundreds while supplying dependable, professional service!</p> <p>https://www.genclassifieds.com/x-317913-z</p>	 <p>A Classy Live MusicDJ Service that can save you money</p> <p>https://www.genclassifieds.com/x-317913-z</p>	 <p>A Classy Live MusicDJ Service that can save you money</p> <p>https://www.genclassifieds.com/x-317913-z</p>	 <p>A Classy Live MusicDJ Service that can save you money</p> <p>https://www.genclassifieds.com/x-317913-z</p>	 <p>A Classy Live MusicDJ Service that can save you money</p> <p>https://www.genclassifieds.com/x-317913-z</p>	 <p>A Classy Live MusicDJ Service that can save you money</p> <p>https://www.genclassifieds.com/x-317913-z</p>	 <p>A Classy Live MusicDJ Service that can save you money</p> <p>https://www.genclassifieds.com/x-317913-z</p>	 <p>A Classy Live MusicDJ Service that can save you money</p> <p>https://www.genclassifieds.com/x-317913-z</p>	 <p>A Classy Live MusicDJ Service that can save you money</p> <p>https://www.genclassifieds.com/x-317913-z</p>	 <p>A Classy Live MusicDJ Service that can save you money</p> <p>https://www.genclassifieds.com/x-317913-z</p>
