Part-Time Drawing Instructor needed to teach drawing classes at Michaels in Brown Deer.

This is a part-time position. Compensation is 90% of the fee that is charged per class!!

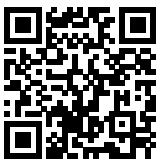

We are looking for:

- *ability to draw and teach with graphite and charcoal (with basic knowledge of materials)
- *people with the desire and ability to market themselves and their classes
- *ability to create realistic artwork (landscapes, sea-scapes, still-lifes, florals)
- *some teaching experience
- *friendly, outgoing, upbeat personalities

There is no limit to how many classes you can have, but we ask that you hold at least 2-4 classes per month.

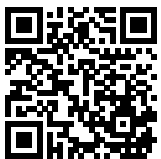

Instructors that are hired will be required to purchase their initial Instructor kit at a discounted price. After that one time fee, active instructors will receive drawing supplies for this program at no charge.

Please respond to this post for!
