This is a long shot since its been 3 years.  
 I am looking for my old german shepherd I once owned in 2012. I put up for adoption at the Cheyenne animal shelter in March of 2012 right before my daughter was born becasue I was extremely ill and pregnant. I immediately regreted it, He was my Emotional Support Animal during my diffcult pregnancy. I called and went back the next day but the Shelter said that he was pending adoption and that there was nothing I could do. I even asked if I could speak to the family that was pending the adoption to explain to them and they said no. I just wish I had the chance to explain it to the family... I am not looking to get him back I've dealt with the lost over the years it still hurts me though. I just want to know he is alright and loved like I loved him. He was the best dog I have ever had and anyone who owns him now would know that. He was very special to me.. An Irrational decision (the worse) caused me to lose him and I just wish I could have another chance to re-do it but i dont.  
 Please if you own him or know anyone who does own him please please please I beg that you contact me and just let me know hes ok. I loved him so much.

Please if you haeva ny information EMAIL me. Thank you for your.
