Hey, I have made a fundraiser for my family and other families and any donations and prayers are very much appreciated. The first \$400.00 will go to filing fees for my claim into the federal court against the Tennessee Department of Children's Services et. al. Please help us make this happen! If you would like to donate please reply to my posting and I will send you the link to my fundraiser and any other information. Thank You and I hope everyone has a wonderful day!
