

I'm an experienced guitarist with plenty of touring and studio time under my belt.
I've been on over 20+ releases both in the US and Europe
vintage gear and effects friendly
Play for the song, not the ego....
Looking for something along the lines of Blackberry Smoke, The Stones, J. Roddy Walston and the Business, AC/DC, The Faces, Mott the Hoople, Ryan Adams, Motorhead, Tom Petty and the Heartbreakers, Blackfoot Gypsies, Humble Pie, Georgia Satellites, Wild Feathers, The Backsliders, Uncle Tupelo....if you know of, or are influenced by any of these bands, then contact me ASAP
Not looking for cover bands, weekend warriors, or start ups, looking for something solid and professional...
I can provide resume with music and video links on.
