Epoxy floors are nothing like they use to be.
Now they are state of the art.

Like the Packers? We love them, just look at the cool flake down below.
Let us make your man cave, garage, and basement floors look beautiful.
Use standard or custom colors.

We are a division of BC Bricklayers, a 44 year old Milwaukee based business. We offer masonry services from brick & block to stamped concrete and epoxy coatings including driveway and sidewalk resurfacing.
