In search of tight pocket rhythm section (bass guitar and drums) for new band to perform in 2015 Outdoor Summer Concert Series and one-off private gigs. Experienced pros from Athens, GA and Newport, RI seek to establish a no-drama, adult ensemble to tackle deep-cut classic rock and progressive jam. Would prefer an already established combo who get along and have developed a signature groove.

Rehearsals at Promontory outside Park City. Pro-gear required. Backline sound reinforcement provided. Send me an email with your contact info and I'll call you.
