Little Friends Daycare is a perfect blend of the professionalism and experience of a daycare center with the warmth, smaller group size and personal attention of a home. I have a full time and part time spot opening up in May. We would love to welcome your little one to our Little Friends family. Tours available by appointment weekdays after 5pm. Give me a call to learn more about my program and preschool curriculum.

#### What makes us special?

- \* Nutritious meals, so you don't have to pack lunch or snacks.
- \* Cheerful, spacious playroom completely dedicated to childcare.
- \* Beautiful, huge, fully fenced in playground.
- \* Daily opportunities to learn through art, cooking, music and play
- \* Emphasis on communication and openness. Parents enjoy daily pictures texted to them, of their children in action.
- \* Monthly date nights.

#### A little about me:

Hi, I'm Kat Martinez, the owner of Little Friends Daycare. I am a licensed educator, and have over a decade of experience in childcare, with a certification in First Aid, CPR and Food Safety. My mission is to provide a safe, clean, loving, home environment as well as a carefully crafted preschool curriculum.

Feel free to check out the parent testimonials on my website, Facebook and KSL.
