I am a drummer with 17 Years Experience and 5+ Years Stage Experience. I have great pocket presence with the ability to improv and play by ear. My Influences range from Dave matthews band, Three Legged Fox, Phil Collins, O.A.R., Keith Urban, James Brown, The Black Crows and may more. I am interested in playing Rock (classic and modern both), Pop, Funk, Country(Modern), I WILL NOT PLAY METAL OR BLASTBEATS!!!!!!!!!!!!!! I would like to find a band with in a 15 to 20 mile radius but i will travel for the right band. I am looking for a serious band not jam buddies(i have enough of them already)..... I have my own equipment and a good runnin car so making it to shows and such is not a problem.

If you are interested please call me at and my name is DAVE!!!!!! No Emails!!!!!!!!!
