I am giving away my kitten due to summer coming up and my lease ending! she's fantastic! loves cuddling, likes to sit by the window and think about her ever so exciting life! Haha

her name is professor tickle:)

she is not spayed so you will have to get her lady parts taken care of lol she's a little skiddish around New people but she opens up easily! she does amazing around other animals as well, likes to play!

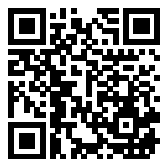

if you're interested please shoot me a text or email and let's see if we can find her a lovely home:)
