

Hiring Hot Models who want to earn more than 1K a week... (United States)

Location **Arizona**

Hey! We're hiring good-looking humans to be webcam models on our site. It's a pretty awesome gig. Our models earn \$24 per hour on average. \$400 and more an hour for people who are good at this.
We earn more; because we are real.

Best of all... You keep 100% of what you earn from our website!
Try to get someone else to give you that.

Who is this a good fit for?

Guys and girls who are very good-looking (seriously), open-minded, and smart. Must be 18 or older to apply. Our top models earn \$400+ per hour. A lot of models earn less than \$24 per hour: it mostly depends on your schedule, looks, and effort. Come work 40 hours a week for a month or two, and see how it goes for you.

What is this job?

We're the live cam niche in the adult industry. You perform through your laptop or desktop computer on our network. You'll broadcast on the site and have a bunch of customers in your room. Your goal is to get them to spend lots of money on you, which is actually easy (we teach you how to do everything). It's private and secure, and we'll walk you through everything.

You'll use a stage name to hide your identity and you can block any U.S. states and even entire foreign countries from viewing you if you want.

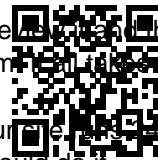

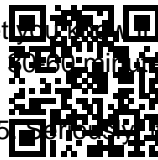

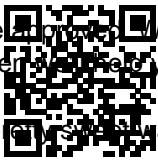

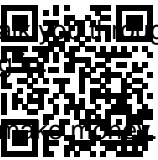

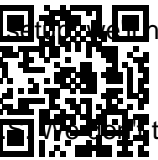

We have an awesome studio you can work out of OR work from home!

How does it work?

Once you fill out an application, we'll review it. When let us know you're interested, we'll walk you through the process. You'll have to take a stage name, some pictures, and complete a registration form. We'll be able to tell you about it. Then, we'll have you look at our website. You can see whatever you want to see when you want. Our website is a private way to make money. No one else can think it takes a lot of work. But you know... if it were easy, everyone would do it.
