This is the 9-in-1 vaccination. Which means it covers 9 major diseases. Most Vets only offer the 4-in-1, so this vaccine is much better than what you would get at the vet.
 We have many available!

Each package includes: 1 dose vial of dry vaccine, 1 (ml) vial of vaccine diluent, & 1 disposable syringe.

Must be refrigerated, so please bring a cooler with an ice pack for proper transport.
