

Need Nannysitter In My Home on Monday (Lindsay Broadway)

Location **Arizona**
<https://www.genclassifieds.com/x-318187-z>

Re-posting position. This is an immediate position starting Monday!!

We currently have a need for a nanny/sitter to come to our home to help care for my 17 month old son. I work from home except for occasionally needing to go into the office. We are located at Lindsay and Broadway in Mesa.

Please be first aid and CPR certified and have recent references. Need someone who adores children and will help in his development by reading with him, playing games, teaching him, helping with a daily sleep schedule and eventually potty training. You must be dependable, reliable and trustworthy. Would prefer someone who is open to light housekeeping (dishes, sweeping, mopping and general cleaning up) but it is not a requirement.

Prefer you have your own vehicle, however if you live within a couple miles we could possibly work it out where I could provide transportation. Looking for someone Monday through Friday 8am-4:30pm, however I do have some flexibility.

Please email me or text me at and provide me with your qualifications, references and why you feel this would be a good match for you. Looking for someone to meet with this week and to start Monday the 23rd. Pay would be every Friday in cash.

Thank you for your time, looking forward to meeting some wonderful!! :-)
