Hello,

I am 31 years old with a safe clean loving home, Low rates and a low ratio, I am CPR & First aid certified with my fingerprint clearance card all? are up to date and currant.

My goal is to make sure that all parents have peace of mind,

That your child is being properly cared for while you are at work or away. I will do my very best to take care of your child and show them that they are very important and loved. Your child's day will be filled with many fun activities that will stimulate him/her not only socially but intellectually, emotionally, and physically as well. Through play, your child will learn the importance of cooperation and sharing. They will also learn social behavior and how to get along with others. They will learn how to understand their feelings, gain self confidence respect for others and themselves. All these things that will stay with them for a lifetime. For more info please e-mail anytime.

Thank you for your time.
