Offering ride from Phoenix to LA.

Target travel date is Saturday, 3/21/15. Date and time are slightly flexible depending on when passengers need rides.

Partial trips along the route can be accepted if space is available. Call to inquire.

Rideshare Rates:
 Phoenix to Los Angeles \$40
 Flagstaff to Phoenix \$20
 Phoenix to Palm Springs, Indio \$30

I'm a responsible, mature, chill dude and I set the cruise control and drive straight through taking only quick combination gas-bathroom stops along the way.

You must be at least 18 years old, show a govt. picture ID and pay the full rideshare amount in cash at the time that I pick you up.
 No ID, no ride.

Get picked up and dropped off within 1/4 mile of any freeway exit along the route stated above at the rates posted above. Door-to-door service is available at an extra charge. Call with exact origination and destination addresses for a door-to-door quote.

You will have 1 seat in a late model 4-door, 4X4 pickup truck and you will be sharing the seating with up to 3 other riders.

There is room for you to bring several bags or boxes.

No smoking in truck.
 No weapons or illegal contr.
 No smoking while driving.
 No drugs.

Option 2: Your pet rides in their own seat in the cabin of the truck and you pay the full-person rideshare rate for both them and yourself. No, they cannot just ride on your lap no matter how small they are.

For faster booking service, call instead of texting or emailing. You can text or email but no trip will be booked without a phone call. That's for your own safety as well as mine.
