1 OWNER AND SIMPLY STUNNING MYSTIC BLUE ON GREY LEATHER. RIDING ON A NICE SET OF BF GOODRICH TIRES PLUS DEALER SERVICED. Original Books and runs and drives like new. The 3 Series is superb and they are driver's cars. Dynamically, each is outstanding: a highly refined machine that corners, accelerates, and stops swiftly. The 3 Series puts drivers in touch with the road instead of isolating them. Driving the sedan, coupe, convertible or sport wagon is a joy. They blend luxury and sport with high levels of quality, making living with them joyful as well. Their interiors are well equipped and comfortable. Subjectively, there is nothing better in the class. There's no mystery why the 3 Series remains the benchmark for moderately priced sports sedans. It's been that way since the late 1970s, and we don't see it changing.
