

Cleaners are needed in Anchorage

Location **Alaska**
<https://www.genclassifieds.com/x-318269-z>

We have a bungalow in downtown and are looking for fairly regular cleaning, one day, likely on a bi-weekly basis. We are looking for someone with some flexibility on frequency and day/time of the week. Sometimes we may need someone every week. Our schedule is always in flux and we can't keep up with housekeeping, laundry, etc.

We are looking for overall general cleaning, and whatever needs doing on a given week. The day of the week that we'd want someone to come would typically be on a Monday, Wednesday or Friday. Weekends could work also.

We look forward to hearing from you.
