

Looking for glass minions (willow)

Location **Alaska**
<https://www.genclassifieds.com/x-318274-z>

Looking for glass minions to help out with chores around the shop in exchange for glass lessons. Minions who show promise/talent will be eligible for part or full time apprenticeship positions with free housing/studio space starting Summer 2015.

Duties would include: cutting glass rods and tubing, sandblasting glass, torch work, cleaning and organizing the studio, assistance with large scale projects, some delivering and picking up raw materials and supplies,

Druggies or un-motivated wastoids need not apply.
google my name John "vinE" Vinson to see pics of my work /tools I have invented.
