Babysitting agency is looking for part-time and on-call babysitters for the South Bay and West Side.

Will be required to pass a full-background check, tb test and be cpr and first aid certified. Must have 2years of prior childcare experience in the age range of which desire to work with.

We provide educational babysitting, which means there will be no electronics with the kids (tv nor computer). We want our sitters to provide stimulating and fun activities with the children. Sitters will have the opportunity to choose which families they would like to work with.

Pay starts at \$12-17/hr, depending on each family.
