Pro Producer amp Sound engineer will to make a Hit

Location **California** https://www.genclassifieds.com/x-318466-z

To all musicians ready to make a record; I'm ready to make that record with you.

I am a major producer & sound engineer with years of experience and i want your next single/EP/album to sound great.

I have a passion for music and will work tirelessly on your project.

Let me give your songs the unique character they deserve on record.

My rates include studio hire - fantastic for bands and artists on a budget. Each project may vary slightly depending on which studio we use.

Mixing prices depend entirely on the material and are totally negotiable.

Online mixing, mastering and additional production is also very welcome; please get in touch for more info.

All genres welcome inc but limited to EDM, Hip Hop, Rock, Trap, RnB, Country and Soul

Recent Credits:
