

# Record Company Seeks a few Aprentices

Location **California**  
<https://www.genclassifieds.com/x-318472-z>

Independent Record company with major distribution is seeking apprentices to help out with the launching of next major album.

This is not a paid position but can be coordinated with your school for academic experience and credit. Or for those who prefer just plain old music industry experience. Apprentices with specifically work on promoting and marketing album and bands as well as working on touring and bands performances.

Please submit your resume with response to this.
