Missing 8 year old Male Cat (White wtan spots) (Highlands Ranch)

Colorado Location https://www.genclassifieds.com/x-318507-z

We are missing our beloved family cat "Whiskers." He (neutered) is white with tannish/orangish spots. He is 8 years old. Thank you for your help! (Highlands Ranch) (funny picture above-my son did this a while)
