Hi,

I am looking for a fun, energetic, safe learning environment for my 3 year old. I prefer if you are a Home Daycare or a Stay at home mom with children close in age to my daughter. Please have a reliable vehicle for outings and be able to provide references or a background check. We work/ live near 6th Ave and Kipling- 6th Ave & Broadway. I am needing care for 4-5 days a week and the occasional overnight/ date night. Can pay \$35 a day. Please text or email me with a bit about your facility and experience.
