We are the promotional department for Street Executive Studios. They manage artists such as 2Chainz, Travis Porter, Cap 1, Young Dolphins and more. Street Execs also produces for Nicki Minaj, Jadakiss, Waka Flocka Flame, Juicy J and many other artists. On April 1", from 9pm to 3am, we are having our first ever day party featuring our artist Travis Porter, to promote their new single "Faster". The day party is an exclusive female event. Meaning the crowd will be strictly women. So far, we have confirmed over 200 women for this event.

Along with the event we have put together an outdoors vendor expo. We are accepting 30 vendors for this expo. Some spaces have already been filled.

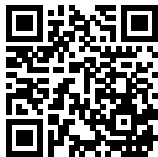

We are looking for businesses who want to be part of this event. There will be media coverage, tons of shoppers, live music and a great advantage to network to a lot of big artists and an untouched base of new customers that do not know of your.
