\$290 OBO for the following items: Twin mattress, box spring, frame, fitted mattress pad AND memory foam! I'm a very clean person so these are in excellent condition! Comfy mattress! I also have fitted/flat sheets in various colors (grey, teal, blue, yellow, and patterned) if you want them too (free). The bed won't be available until April 20th since that's when I'm moving and I'd like to have a bed until then. :) if you need it sooner and your offer is acceptable, we can work something out. :) Feel free to email me if you have any!
