I have a new table game that I've created, and at this point I need to find a casino that will agree to give my new game a field trial. Unfortunately, I'm finding out very fast that one needs to have connections in order to do so.

If you have such connections and can help me get a field trial, I will gladly pay you \$5,000. Or, if you so choose, I can give you 4-5% of whatever I end up earning from the game (which could be well over \$5,000 if it succeeds).

Note: I want to make it very clear that I am NOT asking for money. I already have other business partners involved in this venture, so I don't want or need your money. What I want is your CONNECTIONS.

Thank.
